Sir:

The above-identified trademark application was published for opposition on March 16, 2004. The undersigned filed a First Request for an Extension of Time to File a Notice of Opposition on April 14, 2004. The Trademark Office granted this request and extended the time for filing the Notice of Opposition to July 14, 2004.

The parties have been diligently negotiating in an attempt to avoid the need for an Opposition Proceeding. However, to date, the parties have been unable to reach a final agreement.

The potential Opposer, Caledus Limited, hereby requests an additional thirty day extension of time for filing a Notice of Opposition. The undersigned has contacted Applicant's representative, Mr. John Symington, and the Applicant's representative has consented to this additional thirty day extension of time.
